

WAS A BUSY DAY.

Important Orders in the County Court Yesterday.

Several Road Overseers were Appointed—Liquor License Granted—Real Estate Transfers.

Yesterday was a busy day in the County Judge's and Clerk's offices, as is evidenced by a number of interesting entries on the pages of the order book.

In the matter of the new public road from the Palmyra road to Bell Station, J. T. Stegar was removed as one of the Commissioners, he being ineligible on account of having signed the petition. R. S. Cheatham was substituted. A. S. Gary, being unable on account of physical infirmity to serve in the capacity of a Commissioner, G. W. Savells was appointed in his place.

Overseers Appointed.

Orders were made by the court appointing the following road overseers:

L. L. Jenkins, Madisonville and Cadiz road from L. T. Moreland's to William Clifton's gate; J. B. Pool, Princeton road to the Caldwell county line; W. S. Cheatham, Miller's Mill road from Cheatham's gate to the Palmyra pike.

No Commissioner's Sale.

Just as THE KENTUCKIAN predicted, there were no Commissioner's sales yesterday. Neither Hotel Latham nor any other property in the hands of the late Master Commissioner was disposed of. All business in the Commissioner's office will go over to the June term of the Circuit Court by which time Judge Cook will have appointed the successor of Judge Morrow.

Walter McIntosh was granted merchant's license to retail liquors at Mannington in quantities of not less than a quart.

30,000 CEDAR POSTS.

John R. Green's Contract With The I. C. R. R. Co.

Will Furnish the Posts From His Farm Near This City—Demand For Cedar.

Mr. John R. Green has just closed a contract with the Illinois Central Railroad Company whereby he agrees to furnish them 30,000 cedar posts delivered at their track on his farm five miles from this city.

The terms of the contract are not known, but it is believed that Mr. Green will make not less than \$5,000 by the deal.

Mr. Green has on his farm a large grove of cedars which have been practically worthless for years. The land upon which they grow is barren and rocky and could not be utilized. This contract affords a happy solution of a problem which has worried the popular farmer no little.

He will begin at once to cut and prepare the posts for delivery. He is expected to deliver from three to five thousand per month until the entire number agreed upon in the contract is taken up. The Railroad Company will use these posts to fence in their roadbed as the law requires.

Mr. Green's example might be

followed with profit by many other farmers in Christian county, especially the northern portion. There are hundreds of acres of these cedar lands upon which their owners are paying taxes and reaping no revenue in return. These lands have been regarded as worse than useless by many people. But there is always a demand for cedar posts and poles and all cedar lumber. The fence posts can be sold to railroads as well as to individuals. The taller trees can always be disposed of to telephone and telegraph companies, in fact there is practically no limit to the uses to which cedar can be put, and Mr. Green's case demonstrates that the man is fortunate, rather than otherwise, who owns a grove of cedars.

LEFT FOR HENDERSON.

Van Tassel Company's Props Attached But Subsequently Released.

The Cora Van Tassel Company, which played a three nights engagement to a very poor business, left yesterday morning at 9:30 o'clock for Henderson, where they will play a week's engagement. The effects of the company were attached here by Mrs. Vernon D. Leake, manager of the Guthrie Opera house, to secure a debt of \$57. Mr. G. F. Campbell, attorney for Leake, consented to the release of the props and left with the company for Henderson where he expects to make his money from the week's business.

The Company as a whole is far above the average in point of dramatic merit. Miss Van Tassele the leading lady, and Mr. Stuart being particularly strong in their respective repertoire roles.

They made many friends in this city during their brief engagement which is guaranteed that a return date would not be so disastrous.

MOSE ELB BUYS IT.

The Buckner Livery Stable Was Sold Again Yesterday.

At the recent sale of real estate property belonging to the estate of the late L. L. Buckner, the brick livery stable property at the corner of Virginia and Tenth streets was sold to Mr. S. G. Buckner for \$3,420.

It was not known at the time who Mr. Buckner was representing, but it has since developed that he was bidding for the heirs and bought the property in for them.

Yesterday Mr. Buckner sold the property to Mr. Moses L. Elb privately and the papers were all drawn up.

Mr. Elb will continue to rent the stable to its present tenants Messrs. Quarles and Tribble, having purchased it as an investment simply.

Mr. Watterson Brasher has accepted a position with the Hopkinsville Steam Laundry and began work yesterday. He is a sprightly and capable young man and will be a valuable acquisition to Mr. Metcalfe's force.

SYSTEM IS EXTENDED.

Dawson Springs Telephone Company Ambitious.

Line Completed To Cerulean Via Macedonia, Bainbridge and Clardy.

The Dawson Springs Telephone Company, composed chiefly of Hopkins county capitalists is fast growing into a system of considerable importance.

A few weeks ago the main line, from Dawson to Madisonville was completed and put in operation. The service is thoroughly efficient and satisfactory and the investment promised so well that the projectors felt justified in extending the system in this direction. Accordingly a line has been constructed to Cerulean Springs by way of Bainbridge, Macedonia and Clardy. This line was completed last week and also a line from Cerulean to Cobb, five miles beyond. The wires are all up and yesterday put into operation.

It is not improbable that the company will decide to extend the system still further and that Hopkinsville will be put into communication

with Dawson Springs and intermediate points by telephone.

Youthful Runaway.

Claude Stiles and Miss Bryant, a daughter of ex-Assessor John A. Bryant, ran away to Tennessee and were married Thursday evening. The groom is scarcely more than seventeen years of age, while the bride is less than fifteen.

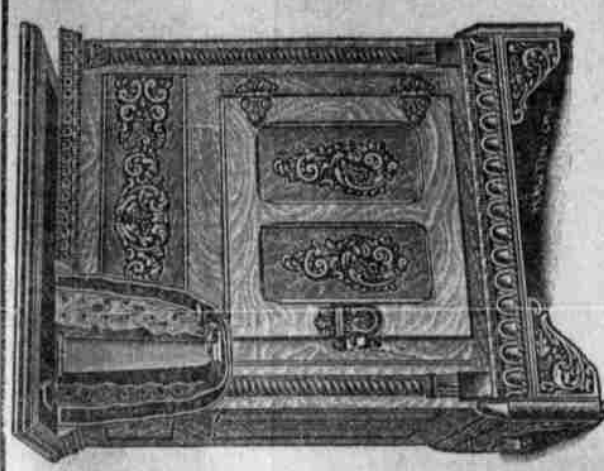

It is said the father of the groom accompanied the couple on their runaway trip. Mr. and Mrs. Stiles have returned to the Plain Springs vicinity and will reside there.—Bowling Green Times.

Twin Girls.
